## DEDICATION

The Class of 1947 gratefully dedicates  
this YEARBOOK to

DR. CHARLES SAMUEL INGHAM,  
headmaster from 1907 to 1930,  
for whom our new dormitory is named.

He laid the firm and generous foundations for the later development of Governor Dummer Academy; and following his retirement his loyalty to the school and his interest in its life have been constant and very welcome.

## The Football Season

By SAMUEL M. ALLEN

MR. ARTHUR W. SAGER  
*Coach*

The opening game with Groton on September 28th, here at home, proved very successful for the Governor Dummer eleven. Thanks to the beautiful end-play of Brad Harlow and the passing of Captain Pete Sutton, we completely avenged the defeat of the year before. Coach Sager was especially pleased because he had whipped into shape an almost entirely inexperienced team with only four returning lettermen. Our hopes were high that we would beat Thayer the next week at South Braintree.

But the Governors ran into trouble with Thayer. Their passing attack was too perfect for us to handle and they made two touch-downs on passes in the first half. The outstanding feature for the Governors in the first half was again the beautiful end play of Brad Harlow, and the fact that our line, paced by Frank DuGrenier and Ed Feeley, who was playing against his alma mater, stopped completely their

running attack. In the second half, however, the story was very different. On the first play Ed Rogers plowed through the Thayer line for a first-down; and this was followed by a precision Sutton pass which was snagged by Harlow, who then dodged man after man, to score. Rogers scored the extra point on a line plunge. After this spurt of power, the Governors were unable to do anything more and the game ended with the score: Thayer 12, Governor Dummer 7.

The second home game was played on October 12th against the very powerful Kimball Union team. The Governors were stopped cold by these K.U.A. men, who scored practically at will. This game did show the home fans one thing, though: that our team had the spirit and determination to keep fighting against overwhelming odds when there was absolutely no hope. The game finally ended with the score: Kimball Union 33, Governor Dummer, 0.

The Governors made up for this defeat the next week at Milton where they tied a team which had been unbeaten for two years. Our entire team was eliking. Pete Sutton was especially remarkable for his running and passing. In the third period Milton captured a G.D.A. fumble and drove from our forty-yard line to our two-

yard line, where, by a freak chance, a Milton man recovered his own fumble and managed to slip over for the score. They completed the extra point. The fourth period found us on the Milton twenty-yard line whence a pass, Sutton to Harlow, connected for six points. We were unable to score the extra point and the game ended, Milton 13, Governor Dummer 13.

On October 26th, the Belmont Hill team played a match here in South Byfield. The day was a miserable one—rainy and cold. Apparently the Governors were not clicking in their play, because we were beaten 13-0. Every possible bit of bad luck dogged us during this game; our line and backfield were in a definite slump. It was really a very discouraging game to lose.

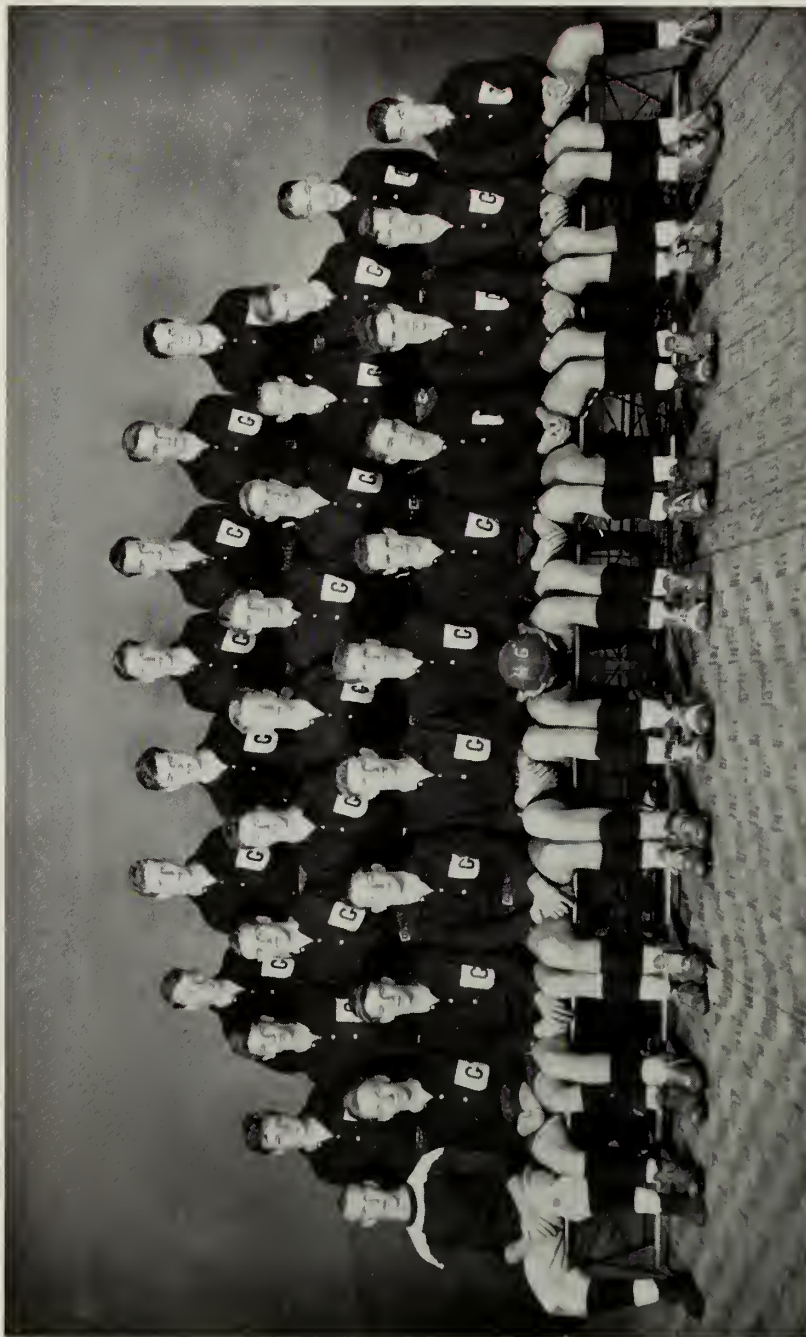

Our veterans, Fred MacBurnie, Billy Brown, and Ben Pearson, Jr., all from Newburyport, started the game against Moses Brown the next week. The most colorful play was contributed by Ben, in the line, who blocked kicks, punted, and in general played an outstanding game. The game was bitterly fought throughout, the opponents scoring only in the last few minutes of the fourth period by taking advantage of a very unfortunate fumble. A beautiful game at center was played by Frank DuGrenier.

Governor Dummer closed its season on November 9th, when it met Tabor Academy at Marion. The Governors were completely submerged as the Tabor team went to touchdown after touchdown.

The Governors' season was not a successful one from the point of view of score; but, as Coach Sager says, score is not everything. Considering the size and strength of our opponents, the team did very well. However, with practically the whole backfield returning, and with Frank DuGrenier playing again in the center position, the Governors hope to regain their prestige as a winning team next year.

## The Soccer Season

By ROBERT BARR

MR. HOWARD J. NAVINS  
*Coach*

The prospects for the 1946 soccer season looked good. John Morgan was back as captain, capably supported by other experienced soccer players such as Jay Curtis, John Heyl, Al Hughes, Danny Hall, and Ash Eames.

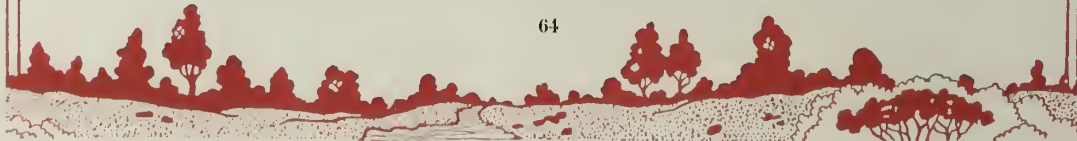

However, at the start the team was handed a pair of defeats by the Harvard Freshmen and Exeter. In both these games the soccer team's scoring power was hampered because Ash Eames was unable to play. The next week opportunity knocked. The Red and White answered with a three to nothing victory over Belmont High and then another victory of the same score over Belmont Hill. The Governors were hitting their stride, and proved it a third time by going on to beat a powerful and resourceful Milton team the following week. This game was the climax of the season. It was one of the most exciting games ever played at school. Throughout the game the scoring was evenly balanced

between the two teams. Three of the four goals scored by our team were scored by McCusker. Ash Eames, to the relief of the Governors' rooters, booted in a beautiful angle shot which clinched the game for Governor Dummer.

The next contest, which was with Watertown High, resulted in a 4-4 tie. The Red and White then met two discouraging defeats. A mediocre Andover team defeated us 0-1. The Governors fought back gamely, but were unable to score. The Andover captain said that we deserved to win the game. Medford High gave the team its usual expert drubbing by chalking up five points to our one. However, the second team managed to hold Medford scoreless in the last quarter.

The Red and White wound up the season by defeating Tabor, 3-1, in a thrilling game which ended in a brilliant teamup starting at midfield and ending in a pass to McCusker for the final goal. It was satisfying to know that Tabor had, in the previous week, defeated Medford 1-0.

The season was the most successful in three years because the team not only had remarkable spirit in games, but also had the willingness to work extremely hard on the practice field.

## The Hockey Season

By SAM ALLEN

MR. ATHOL MACD. MURPHY  
*Coach*

Warm weather cut the Governors' hockey season from our scheduled fifteen games to seven, and reduced the use of our new rink, a replica of that at the Boston Garden, to a few days' use.

We opened with the Middlesex game here, on January 11th. Although the guests scored first and held their lead through the first period, we came ahead to win, 4-3. On the 22nd we met the Brooks School at North Andover, to win again by 4-3, with the Suttons, Wilson and McCusker doing the scoring. The next day Belmont Hill School came to our rink and beat us 4-0. This score would have been far worse had it not been for the splendid defense of Wilson and McCusker, while Pearson played a spectacular game at goal.

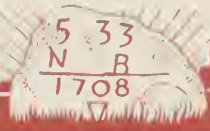

On February 6th the team met Noble and Greenough in Dedham in a very close game won by the Nobles, 4-2. Here again our defensemen were

outstanding. At Milton, the next week, we lost, 2-1, to Milton Academy. Pete Sutton made our only goal in a game that was a hard one to lose. Perhaps our easiest game was with Winchester High on their rink. This we won, 6-2. And again, on February 22nd, we beat Browne and Nichols in our final game, 7-2.

Our veterans, Billy Brown, Fred MacBurnie and Ben Pearson were allowed in only a few of the games, by agreement with our opponents, who had no veterans. But when they did get in, the ice really melted under them. On the whole, Dick McCusker, Lee Wilson, Pete Sutton, Danny Hall, and Ash Eames offered outstanding opposition. Dick deserves high praise for his very excellent leadership throughout the season.

## The Basketball Season

By SAM GWYNNE

MR. HOWARD J. NAVINS  
*Coach*

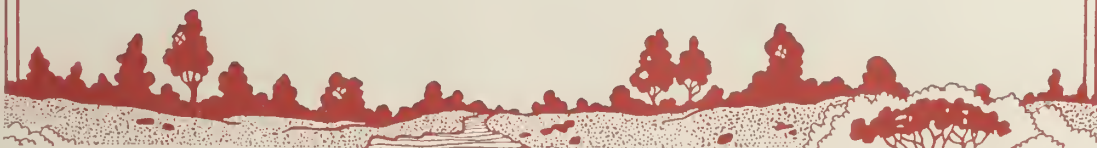

Many authorities who saw the Governors' quintet perform this year hold that the 1947 team was the best one ever to represent the Academy. The record of nine wins and three losses emphasizes this claim. For several years Coach Navins has had to depend on one or two individual stars to bear the brunt of the work, but this team differed. Team play was their strength.

Early in the season John Patterson was elected captain, and he fulfilled all hopes throughout the season. Besides being high scorer with 150 points, Pat's all-round brilliance carried the team through many doubtful moments; and for his success he was awarded the Hamper Trophy as the most valuable player. Bob Deering, a sophomore playing his second year of varsity ball, was another big factor in our success. His basket play was superb, and he contributed more than his share of points. His greatest

particular achievement was in the Kimball Union game when he threw the deciding basket from mid-court in the final minute to give the Governors a 27-26 victory. Fritz Freeman again this year was the set-shot artist; and for his constant dependability over the past two years, he was elected next year's captain.

Two reserves who saw a great deal of service were Ed Rogers and Brock Martin. The former was an able floorman and could be counted on for several points per game. His defensive play in the Thayer game was one of the highlights of the season. Martin, a sophomore, was one of the team's best for all-round ability; and in covering Tabor's Prentiss, he gave a particularly outstanding performance.

On Award Night Coach Navins spoke of the great record this Varsity had made and he thanked every member of the squad for the fine spirit and cooperation that each had shown. He failed to mention that everlasting credit for the success of the team was due to the speaker himself.

## The Wrestling Season

By HENRY DUNKER

MR. LAURANCE P. MILLER  
*Coach*

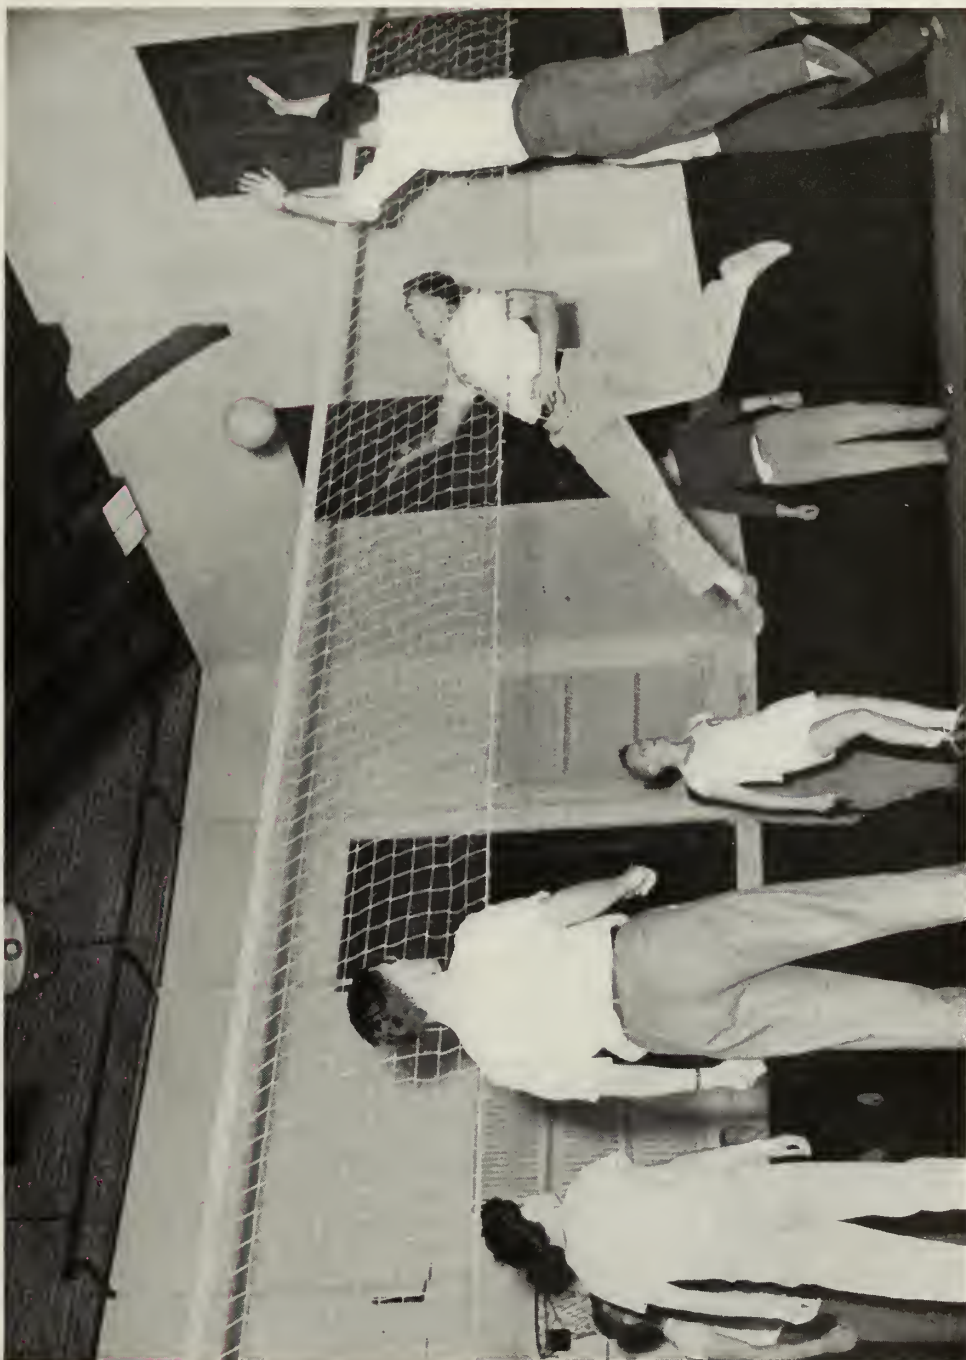

A very successful season was started when the returning lettermen under their new coach, Mr. Miller, opened their informal practice during the weeks between Thanksgiving and the Christmas vacation. In January the squad, with Knott, Baldwin, Jones, Heyl, and Dunker of last year's team, buckled down to intensive preparation for the match with the Andover Junior Varsity team, a match which we lost in a series of thrilling bouts, 23-0. The next meet, with Roxbury Latin School, ended with the Governors at the short end of a score of 21-0. Again this meet was characterized by very close, hard-fought matches. The following week the Red and White, on the road for the third time, lost to a polished Milton team by 32-2; but Bob Gaudin brought home the first team points of the season. These first three encounters showed steady improvement in the team's powers.

Our hard work in these matches paid large dividends in the Noble and Greenough meet, which we won, 23-11, and in which Gaudin and Heyl scored by falls while Baldwin and Dunker scored by decisions. The team was beaten by Tabor, 23-5. Again the Governors, due to a technical error, lost to St. Mark's, 17-13, in a match wherein many substitutes had their chance to show their skill. We closed the season by beating Browne and Nichols, 23-13. In this match Gaudin increased his personal score of points to 19 with a double fall, while Knott and Palais turned in their first triumphs of the season, and Dunker and Heyl gathered five points each by forfeit.

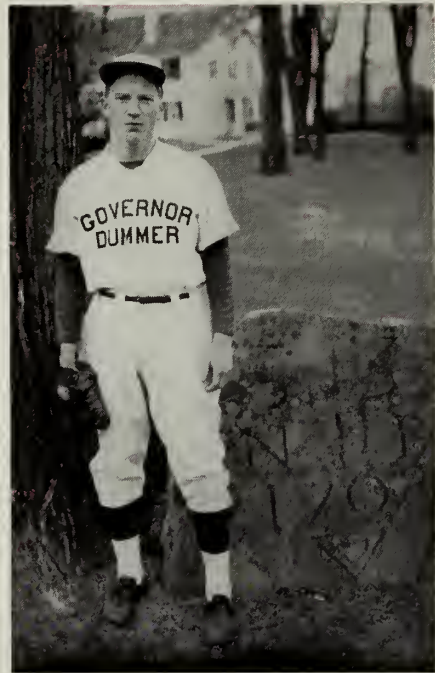

The squad owes a great debt to Mr. Miller, whose coaching is responsible for their great progress; and a warm tribute is due Captain Knott for his steady inspiration. Heartly thanks is due also to Mr. McKnight who ably helped Mr. Miller as assistant.

## The Ski Team

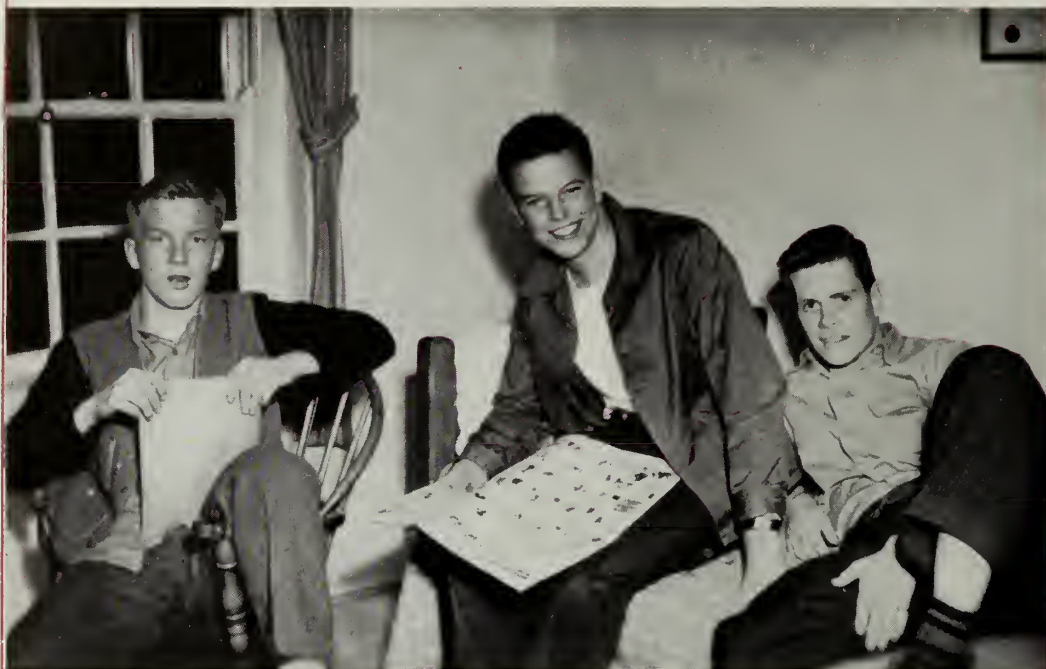

By MR. TRAVER

Very little snow fell in South Byfield this winter, to the discomfiture of the twenty-six boys on the squad and their coach, Mr. Traver.

The squad, nevertheless, managed to be quite active; and in January and February four trips were taken to Guilford, N. H., where plenty of snow, two tows and a chair lift provided a variety of downhill skiing.

Four trips were also taken to Loeki's Hill in Amesbury, and on February 22 several boys entered the Winter Carnival there. Anton Broekleman, on leave from League Basketball, finished second in the Junior downhill and slalom races. Art DuGrenier took fourth place in these races in a field of over thirty.

Informal slalom races on the golf course proved popular late in February when snow finally fell. When final tabulations were in, "Spider" Leavitt held first place.

## The Glee Club

By DAVID WILCOX

The Governor Dummer Academy Glee Club began rehearsals this year with the largest membership in the Club's history. A busy season of five joint concerts had been planned by Mr. Sager, the Club's director. The first concert, which was with Winsor School, was held in the fall term and featured the popular *'Twas The Night Before Christmas*. A dance followed in the Cobb Room.

The first concert of the winter term was with the Abbot Fidelio Society at Andover on the fifteenth of February. The Cantata, *Christ Lay in Death's Dark Prison*, by Bach, was presented by the combined voices, and the concert proved to be a great success. Two weeks later the Club travelled to Portland where they enjoyed a tea-dance and dinner as the guests of the Waynflete School. The Glee Club journeyed to Worcester on April fifth to sing with the Bancroft Glee Club, and three weeks later were host to Walnut Hill School. The annual Commencement concert closed the Club's successful season.

Besides their regular Glee Club work, the Meistersingers had four extra concerts. The first three were at a Bates College Alumni meeting, a Boston Governor Dummer Alumni meeting, and a Red Cross meeting. The climax of their season occurred on the twenty-second of February, when they sang as the main attraction at the Fireman's Benefit Minstrel Show in Newburyport.

Peter Sutton proved to be an able president as well as an excellent soloist. Leslie Richard and basso-profundo Ben Pearson were also soloists, and David Reed proved to be a very capable accompanist.

The Governor Dummer Chapter of the *Cum Laude Society* received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In secondary schools its function is, therefore, comparable to that of the Phi Beta Kappa Society in colleges.

The by-laws of the society state that to be eligible for election a student must attain a minimum standing of eighty percent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities or deficiencies, and the nature and number of the courses on which his average is based.

This year the annual initiation banquet was held on Friday evening, May twenty-third. Dr. Kenneth Ballard Murdock, Francis Lee Higginson Professor of English Literature at Harvard, was the speaker.

## The Rifle Club

The boys in the Rifle Club enjoy one of the least formal and most individualistic of all the School's activities. Each member is constantly aiming to improve his own target scores, while ten of the best engage in the annual scholastic Postal Match sponsored by the National Rifle Association, with which our club is affiliated. Our range, in spite of its being outdoors, was used on twenty-seven days in the fall term and sixteen in the winter, by groups numbering up to twelve. The moving of our shack, which measures some twenty by twelve feet, to its new site last fall provided a striking demonstration of what boy-power can do, for some forty boys lifted the structure and set it down again in its new location fifty feet south. This new position, facing south, is a great improvement over the old, which looked into the afternoon sun. Our best totals in the Postal Match were shot by Marshall Jones, Andrew Leighton, Brian Pendleton, Gordon Shaw, and Finley Stay.

To Harald Schreuder Kingsland of Fairmont, West Virginia; captain of the lacrosse team, guard on the football team, Hal's tenacity and quiet resolution have been apparent in his studies and in his athletics. He has won the respect of the school for his unassuming leadership.
